

Michael Fridrik Trio

English Info

The Michael Fridrik Trio is one of Austria's best Boogie- and Bluesband. All of the three members are experienced Blues musicians.

Michael Fridrik started to play the Boogie piano more than 15 years ago. Since then he has played in various Austrian Bluesbands.

Max Schonka has been drumming the Blues since the 1990ies. With guitarist Timo Brunnbauer he performed many years in the Juke Joint Blues Band. Timo's current second band are the Roosevelt Houserockers, a well known Trio.

As the Michael Fridrik Trio they perform Blues and Boogie from the old days. There are songs of Big Bill Broonzy, Tampa Red or Albert Ammons to listen to. Michael Fridrik also wrote a bunch of the band's songs. In 2014 the MFT released their first CD „American JimBumm Music“ (as a split CD with the wonderful country & blues duo The Lettners).

The music is about fun and musical mastery. Let's Boogie All Night Long!
